

DFG round table discussion “Positive impacts through land use change”

7./8. April 2016, DFG Head Office Bonn

7. April 2016

11:00	Arrival
11:30	Snack / Ice breaker
12:30	Round of introductions <i>Moderation: Prof. Dr. Hermann Jungkunst, Landau University</i>
12:45	Starting points, background, and objectives of working group <i>Moderation: Prof. Dr. Heiko Faust, University of Göttingen</i>
13:00	First results – Manuscripts Prof. Dr. Hermann Jungkunst, Landau University
13:15	Inspirations from out of the box (External key notes, preliminary titles)
10 min + 2	Poet’s views on Man-Nature relations (Goethe vs Rilke) in German Torsten Hoffmann (JProf. Dr., University Frankfurt)
20 min + 5	The Critical Zone in the Anthropocene (man vs nature) in English Daniel D. Richter (Prof. Dr., Duke University)
20 min + 5	Biodiversity Services in Changing Landscapes (temperal vs tropical) in English Teja Tschardt (Prof. Dr., University Göttingen)
10 min + 2	Application of Google strategy for advertising on land use change (global vs regional) Engelbert Niehaus (Prof. Dr., University Koblenz-Landau)
10 min	Discussion
14:45	Break
15:15	Inspirations from out of the box (External key notes, preliminary titles)
20 min + 5	Managed Forests Ernst-Detlef Schulze (Prof. Dr., Max-Planck Insitute for Biogeochemistry)
20 min + 5	Holy (cultural) Landscapes Erach Bharucha (Prof. Dr., Bharati Vidyapeeth University)
20 min + 5	Land use transitions and social-ecological feedbacks from environmental degradation Patrick Meyfroidt (Dr., Université catholique de Louvain)
10 min + 2	Resistance to change - A psychological perspective Tobias Rothmund (JProf. Dr., University Koblenz-Landau)
16:45	Break / Discussions
17:00	Discussion on positive Impacts <i>Moderation: Prof. Dr. Heiko Faust, University of Göttingen</i>
18:30	Get together / Dinner

8. April 2016

- 08:00 Breakfast
- 09:00 **“Developing a Strategy Paper”**
Prof. Dr. Hermann Jungkunst, Landau University; Prof. Dr. Heiko Faust, University of Göttingen
- 20 min Consolidating multidisciplinary approaches by
- a) Research foci / superordinate research questions
 - b) Model region(s)?
Experiences from: BW, USA, Brasilien, Indien, Indonesien
 - c) Experiences from collaborative research projects
- 09:30 **5 parallel break out groups on research approaches**
e.g. Paleo, Communications, Sociological, Ecological, Economy
- 11:00 Break
- 11:30 **Round of statements of working groups and discussion**
6 minutes each presentations
- 12:15 Snack / Lunch
- 13:00 **Discussion on integrated research approaches**
Moderation: Prof. Dr. Heiko Faust, University of Göttingen
- 14:00 **Discussion on funding opportunities of German Future Earth pilot projects?**
- 14:30 **Roundup, time bar and closing**
Prof. Dr. Hermann Jungkunst, Landau University
- 15:00 Departure
